

THE BOARD OF TRUSTEES OF VSSM:

VSSM's distinguished Trust Board finds representation from across the spectrum of the society including leading social workers, literary figure, corporate head and a very senior bureaucrat. These individuals together bring a profound depth and diversity of experience, influence and wisdom to guide the VSSM team in its endeavors. All of them are much respected and prominent figures of the society. Whether it is writing articles about the plight of the NT and DNTs in leading publications of Gujarat, raising funds to implement its much needed programs or advocating for the rights of these communities in various forum, the Board of Trustees have always been around and part of the larger VSSM team by associating themselves with various direct activities as well.
